EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Cancel claims 1-15 and 23-27.

In claim 31, line 1, delete "30" and insert therefore --28--.

In claim 32, line 1, delete "30" and insert therefore --28--.

In claim 33, line 1, delete "30" and insert therefore --28--.

Applicant's representative agreed to the cancellation of claims, however, at a later time the examiner found that claims 31-33 were dependent upon a canceled claim, but since such are dependent from claim 30 which is now part of claim 28 it is obvious that these claims should have been amended to depend from claim 28 now. If this is incorrect, applicant may respond before payment of the issue fee as set forth above.
